One of a Kind Holiday Show

Dec. 5-8

This gigantic holiday sale takes over an entire floor of the Merchandise Mart every December — it's so popular that they've added a smaller spring market in April — and showcases jewelers, artists, fabricators, and craftspeople from all over. So whether you're in the market for home furnishings, handwoven textiles, gourmet chocolates, hostess gifts, or a glamorous ensemble, you're sure to find it.
